Introduction

Cefn Hengoed Community School is committed to dealing effectively with complaints. We aim to clarify any issues about which you are not sure. If possible we will put right any mistakes we have made, and we will apologise. We aim to learn from mistakes and use that experience to improve what we do.

We have a zero-tolerance approach to all forms of bullying and harassment and promote respectful relationships between learners, parents, staff and governors.

Our definition of a complaint is 'an expression of dissatisfaction in relation to the school or a member of its staff or the governing body that requires a response from the school.'

This complaints procedure supports our commitment and is a way of ensuring that anyone with an interest in the school can raise a concern, with confidence that it will be heard and, if well founded, addressed in an appropriate and timely fashion.

When to use this procedure

When you have a concern or make a complaint we will usually respond in the way we explain below. Sometimes you might be concerned about matters that are not decided by the school, in which case we will tell you who to complain to. At other times you may be concerned about matters that are handled by other procedures, in which case we will explain to you how your concern will be dealt with.

If your concern or complaint is about another body as well as the school (for example the local authority) we will work with them to decide how to handle your concern.

Have you asked us yet?

If you are approaching us for the first time you should give us a chance to respond. If you are not happy with our response, then you may make your complaint using the procedure we describe below. Most concerns can be settled quickly just by speaking to the relevant person in school, without the need to use a formal procedure.

What we expect from you

We believe that all complaints have a right to be heard, understood and respected. School staff and governors have the same right. We expect you to be polite and courteous. We will not tolerate aggressive, abusive or unreasonable behaviour. We will not tolerate aggressive, abusive or unreasonable behaviour.

Nor will we tolerate unreasonable demands, unreasonable persistence nor vexatious complaining. We have a separate policy to manage situations where we find that someone's actions are unacceptable.

Our approach to answering your concern or complaint

We will consider your concerns and complaints in an open and fair way.

At all times, the school will respect the rights and feelings of those involved and make every effort to protect confidential information.

Timescales for dealing with your concerns or complaints may need to be extended and we will notify you.

We may ask for advice from the local authority or diocesan authority where appropriate.

Some types of concern or complaint may raise issues that have been dealt with in another way (other than this complaints policy), in which case we will explain why, and tell you what steps will be taken.

Complaints that are made anonymously will be recorded but investigation will be at the discretion of the school depending on the nature of the complaint.

Answering your concern or complaint

There are up to three stages A, B and C. Most complaints can be resolved at Stages A or B. You can bring a relative or companion to support you at any time during the process but you will be expected to speak for yourself, unless you require special assistance. We also recognise that when the complainant is a pupil it is reasonable for the companion to speak on their behalf and/or to advise the pupil.

As far as possible, your concern or complaint will be dealt with on a confidential basis. However, there could be occasions when the person dealing with your concern or complaint will need to consider whether anyone else within the school needs to know about your concern or complaint, so as to address it appropriately.

If you are a pupil under 16 and wish to raise a concern or bring a complaint, we will ask for your permission before we involve your parent(s) or carer(s). If you are a pupil under 16 and are involved in a complaint in any other way, we may ask your parent(s) or carer(s) to become involved and attend any discussion or interview with you.

Stage A- Informal resolution

If you have a concern, you can often resolve it quickly by talking to a teacher or Mrs L Morgan, Designated School Investigation Officer. You should raise your concern as soon as you can. Concerns should be raised within 10 school days of any incident.

The longer you leave it the harder it might be for those involved to deal with it effectively.

If you are a pupil, you can raise your concerns with your school council representative, form tutor or a teacher chosen to deal with pupil concerns. This will not stop you, at a later date, from raising a complaint if you feel that the issue(s) you have raised have not been dealt with properly.

A response will be provided within 10 school days, but if this is not possible, we will talk to you and agree a revised timescale with you.

The person overseeing your concern or complaint will keep you informed of the progress being made. This person will also keep a log of the concern for future reference.

Stage B- Formal complaint

In most cases, we would expect that your concern is resolved informally. If you feel that your initial concern has not been dealt with appropriately you should put your complaint in writing to the Headteacher.

This will need to be done **within five school days of receiving a response to your concern as it is in everyone's interest to resolve a complaint as soon as possible.** The form at Appendix A you may find useful. If you are a pupil we will explain the form to you, help you to complete it and give you a copy.

If your complaint is about the Headteacher, you should put your complaint in writing to the Chair

of Governors, addressed to the school, to ask for your complaint to be investigated.

In all cases, the School Designated Investigation Officer can support you to put your complaint in writing if necessary.

If you are involved in any way with a complaint, the School Designated Investigation Officer will explain what will happen and the sort of help that is available to you.

The complaint will be acknowledged within 5 school days. Timescales for dealing with your complaint will be agreed with you. A written outcome will be issued within 10 school days of acknowledgement.

Stage C- Governing Body Complaints Committee

If you still feel that your complaint has not been dealt with fairly, you should write, through the school's address, to the Chair of Governors setting out your reasons for asking the governing body's complaints committee to consider your complaint. You do not have to write down details of your whole complaint again.

If you need assistance instead of writing a letter or email, you can talk to the Chair of Governors or the School Designated Investigation Officer who will write down what is discussed and what, in your own words, would resolve the problem and then be asked to sign them as a true record of what was said. This will need to be done within five school days of receiving the stage B outcome. We will let you know how the complaint will be dealt with and will send a letter to confirm this. The complaints committee will have a meeting with you within 15 school days of receiving your letter.

The letter will also tell you when all the documentation to be considered by the complaints committee must be received. Everyone involved will see the documentation before the meeting, while ensuring that people's rights to privacy of information are protected. The letter will also record what we have agreed with you about when and where the meeting will take place and what will happen. The timescale may need to be changed, to allow for the availability of people, the gathering of information or seeking advice. In this case, the person dealing with the complaint will agree a new meeting date with you.

Normally, in order to deal with the complaint as quickly as possible, the complaints committee will not reschedule the meeting more than once. If you ask to reschedule the meeting more than once, the committee may think it reasonable to make a decision on the complaint in your absence to avoid unnecessary delays.

A written decision will be issued within 10 days of the hearing. This decision is final.

The governing body's complaints committee is the final arbiter of complaints.

Special Circumstances

Where a complaint is made about any of the following, the complaints procedure will be applied differently.

A Governor or group of Governors

- The concern or complaint will be referred to the Chair of Governors for investigation. The Chair may alternatively delegate the matter to another Governor for investigation. Stage B onwards of the complaints procedure will apply.

The Chair of Governors or Headteacher and Chair of Governors

- The Vice Chair of Governors will be informed and will investigate it or may delegate it to another Governor. Stage B onwards of the complaints procedure will apply.

Both the Chair of Governors and Vice Chair of Governors

- The complaint will be referred to the Clerk to the Governing Body who will inform the Chair of the complaints committee. Stage C of the complaint procedure will then apply.

The whole Governing Body

- The complaint will be referred to the Clerk to the Governing Body who will inform the Headteacher, Chair of Governors, Local Authority and, where appropriate, the diocesan authority.
- The authorities will usually agree arrangements with the governing body for independent investigation and consideration of the complaint.

The Headteacher

- The concern or complaint will be referred to the Chair of Governors who will undertake the investigation or may delegate it to another Governor. Stage B onwards of the complaints policy will apply.

Our commitment to you

In all cases the school and governing body will ensure that complaints are dealt with in an unbiased, open and fair way.

We will take your concerns and complaints seriously and, where we have made mistakes, will try to learn from them.
