July 2020

Dear Parent/Carer

The Physical Education, Sport and Public Services Department have a kit for pupils who have chosen to study GCSE PE, BTEC Sport and Leisure and BTEC Public Services. Bergoni Sports Supplies in Llansamlet have a fantastic offer on at the moment which we would like to take advantage of.

The cost of the full kit is £55.20 for the boys/girls who opt for shorts and £58.60 for girls who opt for a skirt. This includes a hooded top, t-shirt, shorts/skort and socks. Embroidery and printing is also included in the cost. Individual items can be purchased if you do not wish to buy the full package; however, the cost of each item may be more expensive.

A number of schools in the Swansea area have a specific kit for GCSE PE, BTEC Sport and Leisure/Public Services to raise standards at KS4. As a department we feel that this will give pupils status and ownership of their subject. Pupils will be expected to wear the kit for their PE lessons and extra-curricular activities and can wear the hooded top instead of their school jumper.

Please note that this offer is not compulsory. The alternative is that pupils will be required to purchase the compulsory Cefn Hengoed t-shirt. However, as a student of PE in Key Stage 4 your child will be wearing PE kit for significantly more time than in Key Stage 3, so the kit will be a worthwhile investment and is of excellent quality, so it will last.

If you wish to take advantage of this offer please contact Bergoni direct on 01792 796880 to book an appointment. The kit will then be processed during the summer holidays in readiness for the academic year.

Yours faithfully

D. Hughes
