Powered by **Schoolgateway**

Cefn Hengoed Community School now has an app powered by School Gateway, the UK's best parent engagement software, to make sure our parents are as closely involved with their children's school lives as possible.

All school related communication, will go through School Gateway from 1<sup>st</sup> May 2020 – it is the central hub of information for our parents – so to stay up to date with what's going on at school make sure you download the app for free. Just search School Gateway in your App store and download. Simple.

Your login details will be automatically generated using the contact information Cefn Hengoed already has, so please make sure the details we hold for you are up to date. You can check and change these details by contacting the school.

We will also be running support for the app in the next few parents evenings, so if you are attending, pop and see our wonderful ICT Support staff and they can help you get set up.

You can also login to the online version of School Gateway via the <https://schoolgateway.co.uk/> site if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to get hold of parents when we need to.
