February 2022

Dear parent/carer,

Choose Your Future 2022 - All-Wales Digital Event on Tuesday 8 March, 10am - 5pm

[Careers Wales](#) is pleased to invite you to the [Choose Your Future 2022](#) careers event on Tuesday 8 March 2022.

This is a virtual Careers Fair where pupils will have the opportunity to visit virtual employer stands and chat to employers in real time. Aimed at pupils in year 10 and above, this exciting free event is:-

- Being held on a platform which will allow pupils to interact with up to 100 different employers
- Each stand will have information and links provided by the employer and will be staffed throughout the day to allow pupils to ask any questions
- Will highlight the variety of careers and jobs available in a range of sectors.
- Held online, [Choose Your Future 2022](#) will showcase a variety of Wales-wide and local organisations where pupils will get the opportunity to hear from and speak to industry experts across the day
- The event will be open from 10am to 5pm, to allow for pupils and parents to attend when they are able
- We will have staff and ICT equipment available during lunchtime so that your child can access the on-line resources. You can also support your child by accessing this event before 5pm

This is an excellent opportunity for pupils to research and get information from people in industry, find out what employers look for when recruiting their workforce and get an insight into the world of work to help them make decisions about their future. Updated information will also be available on the [Careers Wales website event page](#).

Joining the event: Teachers, pupils and parents will need to register on the landing page beforehand or on the day to access the event.
