February 2022

Dear parent/carer,

Following on from the message sent to schools yesterday evening the Met Office has now declared a **RED** weather warning for our area.

As a result, the Local Authority has advised all schools in Swansea to **move to remote learning tomorrow with school sites closed to staff and pupils.**

I apologise for any inconvenience this causes, but it is unavoidable. Your child will receive on-line lessons that reflect their timetable.

We will keep you updated as and when required.

Yours sincerely

C D Bale
Headteacher
